Itching, Scaling Scalp Humor was Making It All Fail Out-Two Doctors Could Not Stop the Trouble

> CURED HER SCALP AND MADE HAIR GROW AGAIN

- Niece Advised Using Cuticura.

"My mother used to have a very bad humor on her bead which the doctors called an ecsema, and for it I had two different doctors. Her head was very sore and her hair nearly all fell out in spite of what they both did. One day her niece came in to see her and they were speaking of how her hair was falling out and the doctors did it no good. She says, 'Aunt, why don't you try Cutioura Soap and Cuticura Ointment?' Mother did and they helped her, so she soon began lathing with the Cuticura Comment, and in six months' time the itching, burning and scaling of her head was over and her hair began growing. To-day she feels very much in dept to Cuticura Soap and Cuticura Soap and Cuticura for the fine head of hair she has for an old lady seventy-four years old.

"In regard to my own case, mine was an eccema something like hers. It was in my feet. As soon as the cold weather came my feet would then and burn and then they would crack open and bleed. Then I thought I would fiee to my mother's friends. Cuticura Soap and Cuticura Cintment. I did for four or five winters and now my feet are as smooth asany one's.
